Dear Parent/Guardian,

RE: iPads at Alamanda College – 1:1 Student iPad Program

iPads can be considered an educational product, therefore parents are not required to pay GST if the school purchases the iPads on the parents behalf. It is a requirement that parents are given an approved DEECD lease agreement.

In order for the school to be able to download the educational applications as well as provide the iPads to parents excluding GST, a residual amount of \$1 must be retained, to show that the iPad is owned by the school.

At the end of your child's education at Alamanda College an amount of \$1 will be paid to the school and the iPad is then owned by the parent, at this time the iPad will be reset to factory settings.

If your child leaves Alamanda College within three years, parents are required to pay a percentage of the GST in order to keep their iPad, at this time the iPad will be reset to factory settings.

We ask parents to complete the box below and return it to the School Office. The school is required to have these signed documents on file for auditing purposes.

If you have any queries regarding the lease agreement please do not hesitate to contact me on 03 8376 5200.

Kind regards

Lyn Jobson
Principal
